The Jewish Community Relations Council of Westchester

January 15, 2014

Dear Community Leaders:

On behalf of the Board of Directors of the Westchester Jewish Council, representing over 150 member organizations and the 150,000 Jews of Westchester County, we thank those university presidents who took a stand against the unjust American Studies Association ("ASA") boycott of Israeli universities. We applaud their moral clarity in opposing the actions of the ASA and thank them for their efforts to support positive dialogue on our college campuses. The Westchester Jewish Council proudly stands with them on this matter.

Respectfully Submitted,

Paul B. Warhit, President

Elliot Forchheimer, Executive Director
